

SickKids®

COVID-19 Vaccine Response Project

We want to learn how well the COVID-19 vaccines protect Black Canadians and others in your community.

Join our efforts to learn more about how well the vaccines work to protect you and your community.

Who can participate?

Anyone who has received a COVID-19 vaccine.

What happens when I participate?

We will obtain your consent for a questionnaire form and a blood test.

If you choose to participate, you will receive a gift card.
